

First Name: **ANYI**

Last Name: **WANG**

Title:

Institution: **Food Science Department, UTK**

Mailing Address: **2510 River Dr.**

City: **Knoxville**

State: **TN**

Zip Code: **37996**

Country: **U.S.**

Country Code:

Phone: **8652306920**

Email: **awang99@vois.utk.edu**

Website:

Education:

PhD: PhD student

MS:

BS:

PLACE HEADSHOT HERE

General Areas of Expertise:

Encapsulation of probiotics

Short Bio:

2010-2014, B.S., College of Food Science & Nutritional Engineering, China Agricultural University
2014-2016, M.S., College of Food Science & Nutritional Engineering, China Agricultural University
2015-now, Ph.D. student, Food Science Department, The University of Tennessee, U.S.A.

Five Representative Publications:

- [1] Anyi Wang, Ying Li, Taikun Wang and Shiping Wang. Copper ion-selective fluorescent sensor with salicyl fluorone using eggshell membrane-based solid state platform. Analytical Methods, 2016,6, 2112-2117.
- [2] Anyi Wang, Yuntei Bai, Hongye Gao and Shiping Wang. A tetracycline-selective fluorescent biosensor using anthranilic acid immobilized on a glutaraldehyde-coated

FEWSTERN Symposium 2017 Presentation Title and Abstract:
